**Notes:**  
Rosters 2015-2016 and earlier were inflated for various reasons  
Some Clubs included entire membership, not just league players  
Sometimes players were rostered to meet team minimums but never played a match  
Yellow highlighting shows some obvious differences  
2015-2016 Trial Year for Tencap and the first payment was based on the inflated rosters  
Once Fees were started rosters became more realistic really fast  
The first move downs occurred in March of 2017  
Rosters from 2014 and earlier Henri compiled  
Roster information from 2016-2017 and 2015-2016 were compiled from the EVSTL Online Rosters  
Roster count 2017-2018 is from the Tencap system
