

It is with great sadness that one of our great tennis supporters at GV and the Evstl died suddenly yesterday of a heart attack. I believe that Sam was 69 years old. Sam was a past president of GV. He served as a member of the ten cap advisory committee. Sam was a staunch supporter of ten cap and was always in the for front of making the EVSTL a stronger and better organization. He cared about all the tennis players, from social players, to rec players, to league players. I had the pleasure of working with Sam while getting the OMs started. I saw first hand that Sam was an outstanding person and was loved by many and respected by all. Our thoughts go out to his family and I ask you to keep Sam and his family in your prayers. Sam will be greatly missed.
